An aerial photograph of a residential area with overlaid property boundaries and building footprints. The map shows a mix of green spaces, trees, and developed lots. A large, irregularly shaped lot in the center contains a large, light-colored building. To the left, there are several smaller lots with houses. To the right, there are more houses and a larger lot with a building. A road runs horizontally across the middle of the map. A scale bar at the bottom left indicates 100 meters. A north arrow is located at the bottom right. The map is annotated with various numbers and letters, likely representing property identifiers or survey data.
